Dear reader,

Today's issue is kind of special. The first article is touching the one question where most people have problems with. It is also the question which has, since the first council, been wrongly defined: The Trinity. Here you will find a good compilation of important quotes regarding this issue.

The two following articles have a similar subject as guiding theme: We and the Beyond. The Pharisee's question gives an in depth view concerning the following of Jesus but also covers the big field of everybody's soul attachment to, or freedom from matter, so important.

The excerpts in *Witnesses from Beyond* show us a cross section of statements by

the Lord on the subject of life after death. You will meet the revolutionary and freedom fighter Robert Blum and his total amazement that he is still alive after his body was killed by a firing squad. The second case shows the appearance of a deceased father before his son and other examples by which we learn a lesson.

We are shown that we do not have much time. Our life on earth is very short compared with our life in eternity. Our stay here is of paramount importance for our future. Just lean back for a moment and meditate about this: If your actions and thoughts are not according to God's recommendations, you will have to learn them after your stay on earth. That learning period can last very long, like sometimes up to 1 million years! If not more! If you follow the recommendations and put the commandment 'Love God and your neighbor like yourself' into action, you can shorten this to zero. But only here. Over there it goes not that fast. For reasons which the New Revelation clearly states.

May God bless you.

The Essence of God

How God wants us to see the misunderstood and wrongly taught Trinity

Assembled by H. Betsch
3096, HB19

Many Christians had and still have problems with the Trinity the way the churches define it. For one how can you love a god who is three

nests and the foxes their dens; but I have nowhere to lay my head!

3. reflection

Witnesses from Beyond

In this day and age the belief in a spirit world or the continuation of life after death has been rationalized away through the influence of science: "No scientific proof yet of God, spirits etc." Less and less people believe in God, at least in what is called the "First world". So there will probably be also few souls who believe these words which came from the heart of God to Jakob Lorber.

For he who believes in me,
keeps My commandments
and loves me above all is
within me and I in spirit
within him.

Great Gospel, vol. 9,4

We are showing below some excerpts dealing with the subject. One is taken from the work "From Hell to Heaven". This work is fascinating. In it we can follow Robert Blum who was a revolutionary and fighter for ...

The Lord's Sermons (13)

The Temptation of the Lord

This chapter deals with My temptation through Satan when I walked on earth.

The account of this temptation, as My disciples put it down in the Gospels, should not be taken literally for, naturally, Satan knew Me well and saw his Lord in Jesus. Therefore, it would not have been a temptation on his part to suggest that I turn stones into bread since he was well aware that I was capable of much more than that - or to suggest that I cast Myself from the pinnacle of the temple saying that nothing would happen to Me if I were the Son of God. It was he who carried Me through the air from the desert to these pinnacles knowing that I did not fully belong to this earth and that the gravity of this planet could not affect Me if I did not wish it.

And if I am within a person, eternal life is within him, too.

7. overview: the new revelation

Since the beginning of time God had been in contact with mankind. With every nation. In every century. Without interruption.

The form of communication differs. God came in the form of angels, He used prophets whom He instructed (e.g. Isaiah). He gave people visions (e.g. Swedenborg) or revealed His messages in dreams (e.g. Joseph) and He had people write by direct dictation (e.g. Moses).

Communications, instructions and messages did not stop with Jesus. Some churches, unfortunately, claim that Jesus said it all. With Him revelation stopped. Despite the contrary written in scripture.

The New Revelation, God's New Word, was received by dictation. Word by word. Every word of those 25 volumes was dictated to Jakob Lorber, Leopold Engel and Gottfried Mayerhofer by the Lord. It took about 50 years to finish. Some say it's the Eternal Gospel promised by the angel. It sure contains wisdom for generations of researchers.

To doubt that the texts of God's New Word were really of heavenly origin ask for the report "New Revelation and science". It shows that most prophecies done have become reality by now.

Cornerstones of the New Revelation:

1. In His New Word, the New Revelation, God reconfirms again and again that love is the basis of God. "The Father" really is God's love.
2. God created all beings - all angels, all souls, all spirits - out of love.
It was out of His endless love that despite the high treason of Lucifer and one fifth of all created beings He did not destroy them but created the material universe. Matter is a prison and school through which He leads the rebellious souls back into His kingdom.
3. Out of love He created man and put him to test on earth and gave him the choice between good and evil.
4. Out of love He took flesh in Jesus, His "Son", suffered terribly, accepted utmost humiliation and sacrificed His physical body to free all humans from the slavery of sin.
5. Out of His love He gave mankind the privilege to become His children if they choose to obey. A privilege not even His first angels have.
6. Out of love He has been incredibly patient with mankind. But He also said that out of this love He will chastise mankind if they turn away from Him, lest they'll be lost. That happened and will happen again.
