editorial

Dear reader,

Another quarter has passed filled with incidents showing that we are in the End Times. Just have a look at the [Wikipedia list](#) of terrorist attacks. Since the beginning of this year alone there were 166 with hundreds of deaths and many more injured. That's almost one every day! And in our western media perhaps one in ten are reported. Ok, most still happen in Asia or Africa, like Iraq, Pakistan, Saudi Arabia, Philippines, Kenya, Libya, and Somalia. But they are getting closer like the 26 June attack on tourists in Tunisia (28 deaths), the beheading and bombing in St. Quentin Fallavier, France, not forgetting the 12 + 4 victims of the Charlie Hebdo killings last January 7 in Paris.

Have you heard of any forceful reaction by American or European politicians? Are they afraid or clueless? We in the west have a real problem. The strongest force here is lead by a Muslim born president. The more one sees his inactions the more one has the impression that he just lets it happen to please his radical Muslim brothers. Military instructors and bombings are not enough to save the Middle East from ISIS. It's also irresponsible to not instruct the people at home about the realities of Islam. So America together with Europe stumbles blindly into the Islamic terror of the Muslim Brotherhood net. Amazing, when ISIS openly put in writing its target to kill 10 million Americans.

The naivety of peoples – despite 9/11 – is slowly, too slowly (!) reduced through brave people like **Walid Shoebat**, **Mosab Hassan Yousef**, or even **Brigitte Gabriel**, publishing and speaking to wake up the West.

Closer to our main activity, God's messages to mankind, we would like to draw your attention once more to **Vassula Rydén**. She has been conversing with the God the father and Jesus since she was selected by them in 1986. Her books are best sellers. All funds she receives go to charities because she is financially independent due to her husband. Get her book "Heaven is real, but so is hell". And Google her. Her conferences are spell binding. She will strengthen your faith in Christ.

In this issue have a close look at the "Trinity" article. You perhaps know that this is one of the most difficult subjects of Christianity. Clarifying.

Greetings from Gordes in the south of France, one of your author's favorite places.

Take care, have a relaxing summer, see you end of September.

How God wants us to understand the Trinity

#3077

The Trinity of Christianity was defined at the council of Nicaea in 325 AD. There the young Church decided that God consist of three "Persons", Father, Son and Holy Spirit. The Church came to this

decision probably because there are many conflicting statements concerning the Trinity in the Gospels if these are taken literally.

How three distinct persons can each be infinitely powerful and rule sovereign over one infinite space was and is not explained.

Listening to preachers talking about the subject on Trinity Sunday or other occasions, one has the impression they have a problem, meaning Church representatives do not understand it themselves. And whenever that is the case priests and preachers talk about the “mystery of faith”. It is the equivalent of “don’t ask, don’t think, just believe, because it is the doctrine”. No wonder many serious believers are sometimes desperate.

The result of Nicaea is a rift between religions. It is the main reason why there will never be a reconciliation with Judaism, or an acceptance of

The Art of Staying Healthy

#3263

Exploding hospital and health care costs, fierce fights in connection with Obama Care (the new health care laws introduced by this US president) and national health insurance problems in many countries are the indications of a wide spread population health problem. At least in the “developed nations”. We live under the threat of pandemics like HIV, Ebola or Avian Flu but also cancer or coronary diseases to name just a few. More and more children get ill or are born with disabilities and need assistance often throughout their whole life. True, it is nice to get to live longer but what’s the use of it if one is forced to stay for years in a nursing home?

Of course, God does not want us to suffer. He wants us to live a full healthy life and change into His Kingdom matured by life’s challenges!

This is why He shows us in His New Revelation the true causes for these problems and how we can become healthy again. However, just knowing about His recommendations is not enough. We have to apply and integrate them into our daily lives. Whether we’ll do it or not is up to us because God, our heavenly father who came personally to our planet in Jesus Christ, gave us complete freedom of will. We can follow His advice to our advantage or not.

The rules for healing and securing a healthy body and soul constitute a teaching which is definitely unique. It is spiritually anchored, simple and close to nature. It does not know...

The true Church

A Church is only then a Church if it teaches My will and life out of the love which bled on the cross for the whole earth and yes, even for all creation.

Who is Lucifer - Satan ?

GOD REVEALS HIS PLAN OF CREATION AND SALVATION

Excerpt from 'The Great Gospel of John', volume 11, revealed by Jesus Christ to Leopold Engel.

[GGJ.11_017,03] Now here is the moment to understand the following and explain very clearly who and what Lucifer actually is, how one should visualize him and how he can be overcome in every individual, for only when these most important questions are correctly and clearly answered is it possible to understand the creation, My descend *to this Earth, and My suffering and dying*. So, while putting aside every *other* opinion, let the world listen to the great secret of My plan of creation and salvation.

But a Church which only blesses itself and curses everything else, compares to a miser that wants everybody to die so he could rake in all their possessions.

Great Gospel 08, 57

[GGJ.11_017,04] When the deity had found Himself through processes that will always remain hidden to you, and became aware of His creative and all-encompassing Spirit, a mighty surging and pushing arose in Him and He spoke in Himself: 'I want to put My ideas outside of Me, so that I will be able to see from this what My powers can do.' For as long as there is no activity, the deity can only know Himself in a small measure. It is only through His

The Lord's Sermons (LS24)

Proper Supplication

[Click here to listen to this sermon on YouTube.](#)

John XVI, 23: "Verily, verily, I say unto you, Whatsoever you shall ask the Father in My name, He will give it you.

(March 19, 1872)

Sunday, tells you how, as a consolation for the loss of My person, I gave My disciples the hope that they, if necessary, would receive from My Father in heaven everything they might ask for. I held out this happy prospect to them because thus they could stay in spiritual contact with Me, for even if I was no longer visible to them, I would still hear their prayers and help to have them fulfilled.

This passage in the Bible is easy to understand, but if you look into it more carefully, you will find it holds something much more profound. In order to explain to you its analogy and interpretation, we must first answer the question: "What actually is supplication?"
