editorial

Dear reader,

Ever heard about the village of Nickelsdorf at the Austro-Hungarian border? A sleepy little town during the iron curtain time. Now it is flooded by refugees from Syria/Irak/Jordan/Somalia etc. What was a trickle for years to Scandinavia now is a tsunami towards Germany due to remarks of welcome by Germany's chancellor Angela Merkel. Fences are built and taken down by Eastern European countries but the flood simply is too big. What do you do if suddenly you are faced with 20.000 hungry and homeless people at the border station? They arrive in trainloads and walk across the border, a "Schengen" border inside the EU, where there are no customs controls anymore. Before authorities were able to organize trains to Germany for them they just walked along the Autobahn.

So far NGOs and volunteers are helping them with food and clothing. How long they can last is any ones guess. Shelter? Thank God until now we had summer conditions but winter is approaching. Then simple tents can't do the job anymore.

All that is pretty challenging for Europe. But what is the reason for this flood, how did it start? Most believe that it was incompetent, even criminal politicians who caused the catastrophe. All started with Afghanistan and the Russians, followed by Irak due the Bushes (father and even worse son W.), Libya by Sarkosy and Syria by the naives of Islamic Spring. For now acceptance is still there by the population of Austria and Germany. But what happens when millions are coming? Will they assimilate or turn Europe into an Islamic state? Let's pray that will not be the case. But so far we have bad experiences with certain politicians who do not have the courage to address the Islamic threat in their countries. (See the Brigitte Gabriel's YouTube clips below 5a.)

Coming back to our current issue you will find the subject of God's commandments representing God's order, a reflection of the question of Jesus' return and the signs which precedes it. Position 3 deals with the great time of peace after the coming cleansing. A time which will not see any wars anymore. A time that is like paradise but where every individual will still have to strive and work hard to make it.

Gods Order – His Commandments

A detailed explanation

Doc #3209-1 (1 of 2)

For us human beings, the shortest path to eternal bliss is to love God, our eternal father, who walked the earth in the body of Jesus, wholeheartedly. This means to lead a life of humility and good works. It all depends on this; ultimately, we will all be measured by this standard.

Now we encounter the question: How does Jesus, whom we cannot see or touch, really want to be loved?

The answer is: If we men keep God's Commandments and apply them correctly in our daily lives, then we are showing our love for Jesus!

Jesus himself says: [Household of God HHG.01_001,04] "Verily, verily, I say to you: He who loves Me worships Me in spirit, and he who keeps My commandments is the one who truly reveres Me. But only he who loves Me can keep My commandments, and the one who loves Me has only one commandment - that he love Me and My living Word which is the true everlasting life..."

So: Only those who love Jesus can keep His commandments
Only someone who is truly humble can love Jesus. For Jesus says: [Household of God - HHG.02-012, 14] "But I have to admonish you that, above all, you should observe the humility of your heart; for, without the true, inner humility of your heart, no one can lovingly embrace Me in his heart and, this way, live a complete, eternal life of love."

[HHG.02-011, 12] Humility is the only thing that you can give Me without having received it from Me before.

[Great Gospel of John - GGJ.04_095,01] (The Lord:) "Humility is primarily revealed and promoted through service and it is often the case that the more submissive a service appears to be, the more suitable it is for the true development of life." -

The more we serve our fellow men in a truly unselfish way, the more we practice humility. The more we practice humility, the more strongly we can love Jesus. The more we love Jesus, the more we can keep his Commandments.

As the Bible is not understood by most, different Christian churches, free churches, and special fellowships have emerged. They all have their own views and different interpretations. And they evaluate God's commands differently. These different views and assessments came about because people see only the written letter and not....

Prophecy and Return of Jesus

(Doc #3091)

Only God knows how the future of mankind will take shape. But, through his prophecies, He has conveyed much information to His prophet Jakob Lorber. God revealed to him that the material earth will continue to exist for incredibly long periods. But, in the near

but if I depart, I will send him unto you."

March 20, 1872

These verses are found in two chapters of the Gospel of John; in the first instance as a promise that I shall send My deserted disciples the Comforter, the Spirit of Truth, that will show them that everything I taught was true and correct, and in the second instance as an indication that My decease was necessary as a corroboration of what I had told them about Myself and My divine mission. For, in the second chapter it says: "If I go not away, the Comforter will not come unto you!" By this I proved to them that...
