2. Statement of Jesus by Jakob Lorber.

[Childhood of Jesus 01_239,19-26]

[239,19] "This last good fish signifies the Lord's love and His great mercy with which He will bless mankind at the time when all the world will stand on the abyss of eternal death.

[20] But beforehand, the cooks will have to withstand a strong judgment!

[21] Only after this judgment will the time come as foretold by the prophet Isaiah.

[22] And this time will then remain on earth and will not be taken away from it in the future; and then the earth will merge with the sun,

[23] and its inhabitants will reside in the great and bright realms of the sun and will shine like the sun.

[24] And the Lord will be the sole Lord, and He Himself will be the shepherd, and all the shining inhabitants will be a herd!

[25] And thus this earth will exist forever, and its inhabitants will exist forever, and the Lord will be forever among them – an eternal Father to His children!

[26] Then there will be no more death; whoever lives there will live forever, and will never face death, Amen!" –

3.1 Commenting 239,19

The four eldest sons of Joseph from his first marriage prepared the best fish for themselves. The youngest son, who always was with the baby Jesus only got minor quality fish for Jesus. Father Joseph reproaches even curses his four sons. Jesus lifts the curse and the four step brothers reconcile with little Jesus preparing a very good fish for Him. In this verse the signification of this fish

At least half of humanity is hovering over the abyss of eternal death. The love of Jesus and his immense grace (the last good fish) will soon save this part of humanity from eternal death of the soul by allowing a worldwide hunger catastrophe to happen,

which was caused by **climate change**. The love and the grace of Jesus permit the death of the bodies in order to save the souls. Thus it is not the wrath of Jesus, but his great love and grace.

[Gifts of Heaven - GH 03_49.04.06.104] But I tell you now that before my Return on this Earth a lot of weeds and dry grass and all kind of useless and barren brushland will be eliminated by a severe judgement. Where there are two, just one will be accepted and the other refused, thus a huge separation of more than 50% (about 4 billion deaths).

3.2. See above: Childhood of Jesus 239,20

[20] *But beforehand, **the cooks** will have to withstand a strong judgment!*

Comment:

[236,28] (Jesus:) Just look at Me, how many miserable cooks I have in the world, who would have let Me, as a Father of all Fathers, starve to death long ago, if it were possible to do that to Me!

[236,29] I tell you, cooks, who do not want to have anything more to do with Me and also do not want to learn or hear anymore from Me!

[236,30] And look, I still do not go out to judge them in my righteous anger!

[236,35] I know very well, that you have judged the four cooks primarily because of Me;

The four step brothers only served little Jesus a good fish only after educational measures.

In a prophetic sense these cooks are world leaders, especially all guides and priests of the Jews, the Greek-Orthodox and all Christian sects.

Prior to the return of Jesus all these cooks will have to face judgment as mentioned above.

With the survivors (about 3.5 billion people) Jesus will establish His kingdom of peace which is to last 1000 years.

There will be a brief interruption around the year 3010 A.D. through a last world wide judgment of fire. The whole surface of the globe will burn, however, the few true children of God will be saved through a sudden transfiguration of their body (**sudden transformation of the carnal body into a light gown of the soul = rapture**)

[Great Gospel of John - GGJ.08_048,07]

Jesus: [7] This is the very last and greatest judgment, a 1.000 years later. That time will be called My 1.000 year Kingdom on Earth, which will be once more interrupted by war for a very short time by this very last judgment. But the victory will be quick and complete for all future times. From that time on there will be for the Heavens and the Earth one Shepherd and one flock. The Shepherd will be, as always, Me, and the flock will consist of the people on Earth, completely united with the blessed ones in My Heavens.

[8] These last mentioned ones will fellowship visibly with the people on Earth, just like it was before during the ancient times of the people on this Earth. But before that will happen, also the natural Earth will experience very drastic changes. Big countries and kingdoms, which are now still covered by the great and deep sea, will be lifted up as very fertile soil, and many mountains that are

still high now will be lowered. Their tops that are crumbled off will fill up a great number of deep canyons and valleys and produce fertile land.

Chapter Childhood of Jesus 239.20

[239,22] And this time will then remain on earth and will not be taken away from it in the future; and then the earth will merge with the sun,

[239,23] and its inhabitants will reside in the great and bright realms of the sun and will shine like the sun.

Comment: Only after unthinkable number of years the earth will dissolve in the sun.

[GGJ.05_112,04] Jesus: The small planets that have no light of their own, such as this earth, its moon, the so-called Venus, Mercury, Mars, Jupiter and Saturn, and still other similar planets belonging to this sun, including the many comets — which later also become planets carrying human beings, partly through an actual union with a planet already carrying humans, and partly in their own right as matured planets —, all these will disintegrate in the sun, after — by your concepts — eons of time.
