THE LORD said:

"Address ME, Vassula, in this way:

**Tender Father, lash not Your wrath on this generation,
lest they perish altogether; Lash not on Your flock
distress and anguish, for the waters will run dry and
nature will wither; all will succumb at Your wrath
leaving no trace behind them;**

**The heat of Your Breath will put aflame the earth
turning it into a waste! From the horizon a star will be
seen; The night will be ravaged and ashes will fall as
snow in winter, covering Your people like ghosts;**

**Take Mercy on us, God, and do not assess us harshly;
Remember the hearts that rejoice in You and You in
them! Remember Your faithful and let not Your Hand
fall on us with force, But, rather in Your Mercy lift us
and place Your precepts in every heart. Amen"**

The next day on Sunday, as I sat at Church, after 5 minutes or so, I heard the Lord call me and speak to me. My worry was that I would not remember to write what He said. Our Lady in the end said just a few words. But, our Lord made me understand that I do not have to worry because He will remind me when I will write His words, in fact He will lead my hand again. So this is what Jesus Christ said yesterday and today, Monday 14 December His Words were written.

**Testify my child on My behalf and in My Name, and speak
and tell this generation:**

do not listen anymore to false prophets who keep stroking you with caresses telling you that all is well and that you have improved when you, at the same time who call yourself a Christian do not behave like one, for you hardly act on My Words in the Gospel; for I tell you, if your virtue in being a Christian goes no deeper than the godless ones, My Father, not recognizing Me in you will never allow you to enter in Our Kingdom! My Father's wrath will unleash on you; have you not learnt that My severity is as great as My Mercy? You who sell yourself to your surrounding as a good Christian, giving them this false image of Christianity, when you are just the opposite, you will be uncovered and your sin as well; and you, you whose tongue never stopped judging unjustly, your sin will recoil on your own head; My anger rages against your sort and I will judge you for your conduct as it deserves;

You who cannot forgive and forget as I forgive and forget, My Father too will hold that sin against you! Yahweh is near, coming with all speed, so tell Me, where will you hide? To lead a sinful life is to belong to the devil; you have learnt in which manner you will be judged when you are unwilling to reconcile with the one you still hold a grudge against him; I tell you, this sin of unwillingness to come to terms with the one you hold responsible, will be bitterly paid by you till the last penny;

Have I not said: you must love your neighbor as yourself and even more that you must learn to love your enemies? Well, what have My Eyes been witnessing? I have been witnessing a meager lot who truly follow My ways, but the majority are in sin and doing Satan's work; do not deceive yourselves, for in these coming days you are bound for destruction because you are not following My Word¹; if anyone refuses to this day to obey My principles My Father too will refuse him an abode in heaven; and you who have taken My Name², yet act in violence, anger and pride, that same scourge your sharp tongue used on your brothers, you will receive likewise and your sin will condemn you; and

you who still sleep in your apathy and lethargy do not think that I have not noticed you, you will be ranked among the pagans and you will be reaping what you have sown;

As for the apostates, they will taste the fire of hell! My Father's wrath is lit up with this evil and pervert generation; how can I hold back His Arm furthermore from lashing on you? Turn back from your evil ways was Our constant theme, but good and bad have been refusing to abandon their ways of life; the good for not taking My Words seriously in these messages and acting on them, the bad for refusing to be saved, refusing My Mercy, refusing My Hand; tell Me what will you do when you realize that Day that you are mere clay and that clay without My Presence within you, you are nothing but dust?

Disaster is just around the corner and the foliage will turn dry; amend all of you your conduct and actions, let not destruction overtake you; take the right course and stop your abominations and your perversions; set your heart on Me your Lord, if not you will crumble down in ashes like a burnt city;

Now, even if I distressed you, even for a mere moment, it was out of the greatness of the love I have for you; I want to lead you to repentance and save you; I want lips that are clean to invoke My Holy Name, especially in these days where My Holy Name will be profaned and mean nothing to many while they celebrate My birth without honor and praise; repent all of you and focus on Me; and pray that this generation's guilt will not be the cause of your destruction; otherwise the Father's wrath will lead Him to cry out: Enough! And His fiery rage will cover many nations and the world will disintegrate; happy the man who listens to Me now and purifies himself; I will support him;

I am Jesus Christ and am the Author of these Messages and I am known to govern you with lenience; I am known to flower you if you are willing and if need I water you with My

Tears; I am known as the Good Shepherd who never abandons His sheep; I lead you into green pastures, but when treaties are broken, witnesses that I am sending despised and rejected, could I keep silent? When I know you are heading to a fatal destruction, would I not react? On that Day of the Father's wrath those who had forgotten Me, will remember Me; and they will be treated accordingly;

Many indeed ask, what sins? sins that I have mentioned and sins of your blasphemy against My Holy Spirit, sins of your rebellion and of your division, sins of perversion that are an abomination in My Eyes, sins of prejudice, sins of contempt, of corruption, of haughtiness, of pride, sins of degradation and of lethargy, the world is polluted with sin; understand now how My Sacred Heart is offended and is in pain; master your thoughts and sin no more;

Never forget Me, Vassula, and let My people know of My warnings; I am here; ic
