Dear reader,

Three years to go? May be. Bookshops are filling with titles featuring the figure 2012 and dealing, of course with the Maya calendar. And an internet search on Mayas 2012 gets at least 6 million references. By now everybody knows that that year is the last one on their calendar. Big deal?

Well, reading a good book about the Mayas and their culture is an eye opener. This civilization had a grasp of science, math, nature, astronomy and the universe which is astounding. While our calendar starts with the birth of Jesus Christ counting forward and backward, they have two ways of "counting". One starts with the beginning of the universe, the other one about 6000 years ago retracing the time since what we Christians believe, and Jesus Jehovah confirmed in the New Revelation, started with Adam and Eve.

Studying their literature which survived the Church sponsored destruction by the Conquistadores, we learn that these people had knowledge about the

*exists nowhere and never a greater and more perfect freedom than the freedom of My own will. As you internalized it now, how can you be limited with anything you do?*

So if Jesus commands an angel of the third heaven to dictate something to Jakob Lorber, this angel has rid himself totally of his worldly will and adopted the will of Jesus-Jehovah exclusively. Thus he cannot wish anything else than Jesus. Otherwise he would not be an angel of the third heaven. Therefore such an angel of the third heaven dictated to JL only exactly the new words (like 'Shell Globe', 'Outer life sphere', 'Specifics of intelligence') and special phrases like Jesus wanted it.

The various sicknesses are not intentionally sent by God, but allowed to occur as a remedy for souls, to draw them away from the world.

*Jesus' words, GGJ.06, 55 #68*

Jakob Lorber received many transcripts of early words of Jesus-Jehovah: The words of the high Abedam to the original fathers 3200 BC in 'Household of God' or the words of the infant Jesus in 'Childhood of Jesus' or the words of Jesus to His disciples during the three years of teaching (30 – 33) in the 'Great Gospel of John'. All these early words, speeches and sermons by Jesus-Jehovah as well as all questions, opinions, arguments, discussions and answers of those talking with Him are consistently recorded in the heavenly archives, so that any angel of the third heaven can access them in the name of the Lord, transfer them into the German language of the 19<sup>th</sup> century and dictate them to Jakob Lorber. In all these protocols we have the best transcript into an unparalleled high level of the German language (which makes translation such a challenge) of all those early speeches and live discussions of Jesus-Jehovah before our eyes as unique gift of the Lord.

But wherever Jesus-Jehovah addresses us people of the present age via JL no angel of the third heaven was involved. Here the Lord speaks direct to Jakob Lorber and thus to us people of the industrial and internet ages like for example in the three volumes of "Gifts of Heaven" or in "Scripture Explanations" or in the opening chapters of volume 1 of "The Household of God" or in the works about the Natural Creation. For that Jakob Lorber had to be a descendent of David because otherwise he would not have been able to bear the words of Jesus-Jehovah in his heart and would not have survived for 24 years.

**When does God send prophets?**

[Great Gospel of John GGJ.03\_003,14] If God sends or awakes a prophet somewhere, then everyone should crowd around him and listen to him speak the word of God for his greatest wellbeing; for God awakens such men only once about hundred years in the great depth of the true wisdom of heaven.

[15] But very great prophets, through whom God informs the people of the Earth of very many and great things, are sent to the people of this Earth every thousand to two thousand years at most, on the one hand in order to show them in the greatest and most elaborated ways the further new paths of God towards even higher perfection, and on the other hand to turn them away from the many false paths that they have made themselves and to turn them back onto the one right path.

*Man's life on earth is a  
hard school of  
experience and trials for  
beggars and kings.*

*Jesus' words, GGJ.04, 243  
#71*

[16] For see, in God's great creation everything moves continually forwards like time on the Earth which also never stands still! The spirits clearly always make great progress. But because in the kingdom of the pure spirits such great progress occurs continually, the eternal beings on the heavenly bodies must not be left behind so that they do not come to stand too far from the kingdom of the spirits.

[17] After the appearance of such great prophets things go well for the people by their own doing, if not in general, then at least in specific areas. But when a great advance is again made in the spirit world, then it is no longer done with the somewhat shrouded light of a former great prophet; a new one is awakened and sent, and mankind follows once again, if at first only in exceptions, according to the great advance of the spirit world.

[18] But then humanity in a few centuries becomes more resourceful and finally brings to light things about which the older generations had never dreamed.

[19] But when humanity has reached a sort of culmination after about twelve to fifteen centuries, then it would become lethargic and would stop, as is permitted on this Earth by God so that there should always be various conceivable levels of education. Thus the more enlightened people should learn that without revelations from time to time humanity would remain at the same point for thousands of years and does not take a single step forward, as you can see with today's Indians and South-East Asians.

[20] The Lord allows such things so that people who get there at some time can convince themselves that the situation is exactly as I have told you before. But you will finally educate these people in your descendants; for the Lord never awakens any great prophet for nations which are on a lower level of spiritual education; instead He lets them, that is the uneducated people, follow suit through the main nations of the Earth which have been educated through revelations, for which the Lord has His own endlessly wise reasons.

The New Revelation, God's New Word, was received by dictation. Word by word. Every word of those 25 volumes was dictated to Lorber, Engel and Mayerhofer by the Lord. It took 37 years to finish. Some say it's the Eternal Gospel promised by the angel. It sure contains wisdom for generations of researchers.

The two new commandments Jesus introduced complementing the 10 of the Old Testament are "Love your God with all you power and all your heart" and "Love your neighbor like yourself". And added, that your enemy also is your neighbor (e.g. Luke 10:27).

Out of the seven Spirits of God three stand out: Love, Wisdom and Power.

1. In His New Word, the New Revelation, God reconfirms again and again that love is the basis of God. "The Father" really is God's love.
2. God created all beings - all angels, all souls, all spirits - out of love. It was out of His endless love that despite the high treason of Lucifer and one fifth of all created beings He did not destroy them but created the material universe. Matter is a prison and school through which He leads the rebellious souls back into His kingdom.
3. Out of love He created man and put him to test on earth and gave him the choice between good and evil.
4. Out of love He took flesh in Jesus, His "Son", suffered terribly, accepted utmost humiliation and sacrificed His physical body to free all humans from the slavery of sin.
5. Out of His love He gave mankind the privilege to become His children if they choose to obey. A privilege not even His first angels have.
6. Out of love He has been incredibly patient with mankind. But He also said that out of this love He will chastise mankind if they turn away from Him, lest they'll be lost. That happened and will happen again.
