editorial

Dear reader,

What a start into the New Year!

Who would have thought the self-immolation of a poor vegetable hawker in Tunisia would set fire to almost all Arab lands. Everybody was caught off-balance, starting with the French government. We all held our breath when Egypt started to boil. Thank God the outcome was more or less peaceful there due to the army (at least so far). But then it spread east and west. Even China saw protests. But the real revelation was Libya. It seems the respect of human life there, like in many other Arab countries, is close to zero. Is it the law of the desert? Is it Islam, where the killing of adversaries is 'legal'?

We are asking ourselves what fuelled the explosion and the protests. The desperation

an explanation of Matthew 24, 30:

"Then will appear the sign of the Son of Man in heaven. And then all the peoples of the earth will mourn when they see the Son of Man coming on the clouds of heaven, with power and great glory." (Matthew 24,30)

The Lord stated the following through His scribe Jakob Lorber:

"Don't you know the difference between the "Sign" and the "Son of Man"? And don't you know what one has to understand under "heaven"?"

Really, you could not think of something more foolish than to see a crucifix in the starry sky. Just ask yourselves, what would be the benefit for the world if not only one but a whole legion of crucifixes could be seen in the sky. Would people improve in their hearts? – Sure not!

Wouldn't there soon scientists come forth and claim that all these crucifixes were the result of priestly deceit? And wouldn't they want to prove that all those floating crucifixes are of simple aerostatic origin arranged by a number of Jesuit councils?

Behold, such a phenomenon would create exactly this result and many more! Yes, some mathematically adept scientists would try to explain those appearances in an optical way.

But what would the man in the street say to that? – I tell you, he would fall silent of excessive fear. Because he would be sure that, based on the wrongly grafted teaching, Judgment day is imminent.

And so such an appearance would first kill the scientists because they killed them by their assessment and explanation beforehand; the simple man, however, would be killed in relation to his permanently active freedom the moment such a phenomenon appears. That would be the benefit of such an appearance.

That things would take this turn you can deduct if you look attentively to those times where certain would be prophets predicted several ends of the world. How people partly despaired, partly laughed, partly feasted excessively or wallowed in to other pleasures (the same would happen again now). But when even such empty prophecies were able to cause such evil consequences, what would be the result of a gigantic cross floating among the stars? I need not elaborate for you about the deadly success.

Now "heaven" means the true belief of the word which is the "Church" in it genuineness.

JW21

"Why do you want signs? Don't you know that no one is awakened by signs, but on the contrary, judged? However, I did not come to judge, but that you may attain eternal life if in your hearts you believe in Me".

Great Gospel of John,
vol.1:14,13.

(Explanation of the Revelation of John)

Received through Gottfried Mayerhofer on July 18, 1875

Several years after the death of Jakob Lorber, [Gottfried Mayerhofer](#), who lived in Trieste, received valuable additional dictation from the Lord. The following text deals with part of the Apocalypse and deals with the coded language which John used. Why such a coded language? The Lord has a very simple and convincing reason:

“Had I as God of Love caused the entire process of development up to this day to be written in a language common to you, the words would have died away and nobody would have cared for their spiritual meaning.”

[The Lord Jesus:] This Revelation of John or – I prefer to say - this picture of manners for the entire period, which came over your earth after My transition into the domain of the spirits (until now and My return) - this revelation has been

explained, explored and set forth by many a person who presumed to be learned, but so far no one has found the right key to open up the chapters of this Holy Word, nor to judge correctly the happenings and periods, all of which had to happen after My ascent, as long as man, a free being, was lord over his own actions.

Now, that we have almost reached the fulfillment of the entire prophecy and

most of it is already over, I will explain to you this Revelation step by step in order that you may be able to judge for yourselves how far all of them were away from the real meaning by attempting to find out the literal sense of what can be expressed only by correspondence.

As long as man does not comprehend the interpretation or the spiritual meaning of words (called correspondence), it is useless to attempt grasping My Words in their innermost sense. Even the great amount of new messages which you have received until now, attest to the same; for, as you confessed so often, the more frequently you read them, the more spiritual appears their content, often different from what you thought previously.

You must start from the principle that I, being the **Highest Spirit**, can think and speak only spiritually and that I express these spiritual thoughts and ideas in words comprehensible to you according to the human level of intelligence; yet as you take and read these words, your interpretation is by far not final.

JW29

Those who have taken hold of Me in their hearts will be taken hold of also by Me. Who has taken hold of Me can let go of Me again, but I shall never again let go of him. For My love is of eternal duration and holds for ever the one who has taken it into his heart.

And so it will be with you! You will be placed in situations where you will find it a bit difficult to confess My name and remain firm in faith, but at such a time I shall strengthen you and fully enlighten your heart.

Great Gospel of John,
vol. 3:209

I had John write down this Revelation by adapting My ideas to his comprehension; had I spoken to him differently, he would have failed to understand Me, misinterpreted My words or not dared to write them down for fear of falling victim to a deception.

Hence, in this Revelation you find only symbolic pictures; you find the "Wrath of God," the plagues and still other things which were frequently used by the prophets in those days, but which should not have been taken that way, since I, the **God of Love**, cannot exercise anger, hatred or revenge. If you think it over more carefully, all this is impossible; by sudden destruction or moral compulsion I cannot immediately put into order all that does not please Me or is against My plans.

Should I become inflamed about things which I personally created this way and not otherwise? Should I pronounce a curse over creatures whom I put out as free beings and who therefore had to fail and fall in order to recognize the great divine properties and their value by their contraries?

How could you evaluate light, if you knew nothing of shadow or darkness; how could you understand the beneficial power of warmth, if you knew no cold; how comprehend sublime virtue, morality and moral feelings unless their opposites existed; how understand an idea of spiritual progress unless you also knew the road downward?

3. reflection

Do you understand "The Salvation"?

During His three years of teaching Jesus touched the matter of salvation many times. The following piece is an excerpt of volume 11 of the Great Gospel showing that for several reasons only Jesus was in a position to perform the salvation.

SALVATION AND REDEMPTION BY THE LORD

What did really happen while the body was lying in the grave, and what was the actual, compelling reason for My death? - On this a brief, but clear explanation shall now be given. So do listen.

It has already previously been explained on several occasions that Adam, as the first man of this earth - that is, a man possessing full spiritual freedom - had been created so as to represent a form, out of which matter could be led back into the free life of spirit. This entailed above all the overcoming of matter itself, that is, voluntarily a state had to be brought about where all base qualities, such as worldly

lusts, desires and inclinations, had to be eliminated in order to enable a free ascent to the purest spirit-life.

It has been said often enough that the human soul comes from the minutest beginnings, grows and develops to ever higher spheres of awareness until it, finally, in man again reaches that form which is no longer capable of development as an earthly form, but only as a soul-form. Thus, in man two principles meet: The end of material life as clearly defined self-awareness and the beginning of an immutable life of the soul in the highest attainable perfection of form. Therefore, on this thin borderline of earthly life man cannot ignore the awareness of being alive - for he himself is proof to this -, yet he can be totally unaware of having reached the threshold to a spiritual life, which is now beginning in its unchangeable human form. In other words: After going through many physical changes having as their goal the human form, this remains now unchanged in its general aspect. But now there begins a change of the soul, the purpose of which is to more and more approach the God-Spirit Itself and unite with It.

Whoever can think, let him think! What can happen if this transition is not effected? For here, matter and spirit oppose each other diametrically.

4. excerpt

The Lord's Sermons (7)

The Twelve-Year-Old Jesus in the Temple

St. Luke II, 42-50: "And when he was twelve years old, they went up to Jerusalem after the custom of the feast. And when they had fulfilled the days, as they returned, the child Jesus tarried behind in Jerusalem; and Joseph and his mother knew not of it. But they, supposing him to have been in the company, went a day's journey; and they sought him among their kins folk and acquaintance. And when they found him not, they turned back again to Jerusalem, seeking him. And it came to pass, that after three days found him in the temple, sitting in the midst of the doctors, both hearing them, and asking them questions. And all that heard him were astonished at his understanding and answers. And when they saw him, they were amazed: and his mother said unto him, Son, why hast thou thus dealt with us? Behold thy father and I have sought thee sorrowing. And he said unto

them, How is it that ye sought me? Wist ye not that I must be about my Father's business? And they understood not the saying which he spake unto them."

(December 26, 1871)

This text is also taken from the Gospel of Luke and deals with the three days I stayed in the temple. What I did and taught there is already known to you, since some years ago I explained it to you in more detail. [Jakob Lorber "The Three Days in the Temple"]

We shall, therefore, look at it only insofar as it will be repeated spiritually before My Second Coming and is, in fact, already in the process of repeating itself. What you can gain from this repetition shall be the conclusion of today's word.

Behold, My children, I have told you repeatedly that each action at that time - from My birth to My resurrection and ascension - had a twofold, actually threefold, significance. What I then did and spoke was of importance not only for the Jewish people, but for all men of that and later times. It was also - reaching far beyond your earth - meant for My entire realm of spirits which followed My actions with curious eyes to see whether and how I would, as a human being, accomplish the mission I had set for Myself.

JW49

"Do not ever ask: 'Lord, where in all the world are You?' For I shall never say to you: I am here! Instead, ask your heart whether it loves Me. And in your heart, which loves me, I shall call to you: Here I am at home with all My love, grace and mercy!

Childhood, 246

Being clad completely in the human body of an earth-dweller, I had to fight all the passions of human nature in order to free Myself from this and, spiritualized, return once more to whence I had come. Like every child I had to improve My soul gradually, develop My concepts and opinions in order to adapt to My Spirit the soul I had breathed into Myself, so that at the end of My earthly career I could show My spirits how I brought back not only My own Spirit in all its magnitude, but also knew how to spiritualize My human soul.

Thus I demonstrated to the great realm of spirits how My sonship could be attained, setting the example - as a living, struggling and suffering human being - how and at what price unification with Me can be attained.
