Dear reader,

The house of cards is crashing - Kondratiev winter - More banks in trouble - Trillion dollar subsidies on taxpayers shoulders - UBS proven of active defrauding of the US IRS via US clients - French Caribbean islands revolting following Athens - Another investment fraud (#5?) - Businesses worldwide suffering downturn (cars, watches, housing, etc). We could go on and on.

The present crash is not the first one since Jesus dictated the New Revelation to Jakob Lorber and his two followers . It's the third after the big one in the second half of the 18th century and the one of 1929.

And Jesus is talking bluntly on the state of the world. Then and now. Society underwent great change starting with the industrial revolution, which incidentally happened at the same period as New Revelation was given. Here is what He said to Lorber on July 5, 1847 (Gifts of Heaven):

[GH.02_47.07.05,03] The business of this world is most diligently pursued to faster kill the spirit and possibly to totally annihilate the spreading of the seed for eternal life! Does one hear of the contrary? No industry or business comes forth with specific 'manufactories', I mean 'factories' where works of Christian love, of humility and gentleness would be produced and not the works of hell, of death, of Satan.

[GH.02_47.07.05,04] Artists, scientists and all kinds of researchers are now traveling on land and on the seas. Lots of them are traveling in all possible directions. – What could be the purpose of their toil? O, that is not difficult to guess. What goes best with the world? See, gold! Yes, money, the cursed, moves all the artists, scientists and all other researchers on land and sea. And none of these travel the earth for higher aims: for love of Me and love of the fellow man.

[GH.02_47.07.05,06] The honor of the world, the reason for some rare deeds in the past, is now doomed. True, there is no great loss as it enflamed brother against brother (duels) and countless Cains slew the Abels. But this cause for those horrid acts is almost gone today. Money has replaced honor. Who owns it, can have everything! But eternal life as well?! That will be seen in a while. Possible with some, impossible with many."

With too many banks and investors money had lost its service status. Money was not the servant of man anymore. It became his master. That's why the downfall will be painful. It may be as excessive as the boom phase of the last decades.

To close this subject: You know that Jesus was violent only once. That was when He drove the traders and money changers out of the temple district with a whip.

"...Who of you can only think a little bit will easily discover that for the Lord of heaven and all worlds no vice of men is more horrid and abject than riches through usury [speculation, ed.] and their consequences. For no other vice the Lord of life and death shows the abyss of hell as clearly as for this one.

Be it manslaughter, adultery, harlotry and the like, who has seen the Lord on earth condemning anyone to hell? But the money changers, the dove hucksters and similar rabble of speculators were beaten and chastised out of the temple by the very hand of the Lord itself with a twisted rope." [Spiritual Sun, 2:92]

So if you are a banker, broker or trader, you know what's coming.

But enough of that. In today's letter we are looking at the Catholic Church. As mentioned once before, the Lord has mentioned the Church of Rome many times in New Revelation.

The move of the pope earlier this year with the cancellation of the excommunication of the Ecône movement is the reason. His step is bold but we

and commented of the issue several times. But the fact is that the anti Religion, the anti God headwind and definitely the anti Catholic Church headwind has shown itself. And if the media has something it can make a sensation of, sales go up and dollars/euros/whatever comes in.

In any case, the lifting of the excommunication is like unlocking a door. It's not opened and the other side has not entered. That can probably only happen if the Ecône movement accepts a minimum of conditions. But we won't speculate here.

Trying to limit the church splits and work towards a unification of the churches is a positive sign but to start with a movement which wants to eternalize the rites and views of a medieval church is the wrong start. The danger is that discussions lead to compromise making the church step back instead of forward.

The development of the church should be in the other direction, the direction Jesus suggests in New Revelation: Get rid of empty rites and ceremonies, concentrate on the Word of God, become humble, get rid of hierarchies, etc, etc. Part of it is covered in the article below.

But the Lord told us that will not happen any time soon. That and the appalling acts committed over the centuries is why He is punishing the church. It has begun about 150 years ago. Gently first but look at the last 30 years. The Roman church has problem after problem with scores of people leaving, with court cases because of pedophilia, with a terrible shortage of priests and more.

So the Lord is on the move. No reason for people to leave their church. Jesus said He would look at those who quit their church - any church - in anger. He rather suggests to try to reform it from inside, from below.

They could do it. They should.

2. today's focus

The Future of the Catholic Church

It is interesting to discover the many references and comments of our Lord Jesus Christ concerning the Church of Rome. But then this Church has the longest history. A history of good periods and of bad. And not only according to historians of bad ones. Jesus too is very critical.

However, His basic principle is the liberty of man. He would not intervene in human actions although, of course, He could. The freedom of human decision is holy for God.

As far as the Church goes that has led to all the too well known negatives: The definition of the false Trinity at Nicaea, the creation of a power base and

hierarchy which put itself higher than kings and emperors, the doctoring of the Holy Scriptures, the mismanagement which caused Protestantism, the terror of the inquisition etc, etc.

Jesus said 150 years ago that He's had it. That He will put an end to this disgrace. And it started at that time.

In his book about the New Revelation Kurt Eggenstein a profound adept of New Revelation authored a book called "The Prophet Jakob Lorber Predicts Coming Catastrophes and True Christianity". The following article is an excerpt. You'll read here the first paragraphs. [But you can download the full text from our website.](#)

New Revelation makes it clear beyond all doubt that we are now in the early stages of the Last Days. The confusion of minds he predicted, the destruction of the environment, earthquakes and disastrous floods already are clearly apparent in their initial stages, and according to Jakob Lorber, they will grow increasingly more severe. These prophesy will be discussed in more detail in the last chapter of this book.

Jakob Lorber was also told, however, what the fate of the Catholic Church would be in the Last Days, and why judgment was to be passed on it. For many centuries, God has kept silence with regard to the serious transgressions of the hierarchy of the church, but now he speaks, through the prophet of the Last Days. "From now on I shall no longer show patience and regard for those in power. This you (Lorber) may well believe, for I am disclosing this to you." (GGJ.10. 27, 8)

The Catholic theologian, de Lubac, rightly perceived the role of the prophet in our day when he said that seers who hear voices "are able to see things that are completely hidden from ordinary people."

Spiritual revolutions always have their origins far back in the past. The debit page of the Catholic Church carries a long column, and well-sounding formulations in decrees issued by councils will not offset this. Abandonment

[HG.03_47.05.25,01] Because of these writings, the greatest fallacy and illusion still rule in all Christian areas on earth. All, without exception, consider themselves more or less the church rock Peter and suppose that they hold the true keys to the kingdom of God and to open and close it at will for the ones wanting to come in, that is, to give, mangle, withhold, prohibit the word of the gospel arbitrarily, to give capricious commandments and set eternal castigations, to entice people through such commandments to commit as many sins as possible, to arbitrarily make allowances for them, or deny such, to even grant for certain penances complete or incomplete pardon for all committed sins, or just as well withhold such!

[25,02] If anyone had a morsel of pure reason, he would have to admit for the sake of My divinity that I, who preached with every opportunity only the law of universal, brotherly love, could not have possibly given such authority and such instructions to the apostle Peter, or to all the other apostles, since they obviously relate to brotherly love, as does hell to heaven!

[25,03] Who gives laws, also gives judgment; is judgment love? That is why I took all judgments upon Me on the cross, so that only love would remain for people, - but is this love conceivable where there are a billion tribunals set up among the ones supposed to be brothers and where one can only see laws on top of laws?! Is this Peter, the rock on which My church, which is and should be nothing but love and more love, shall be built?!

[25,04] Anybody who acknowledges and loves Me like Peter, is a true rock on which I can and really will build My true church, the true love and wisdom from within Me. But how can any small or large community under some chieftain be a rock, if everyone thinks and believes what they want; where one whispers incomprehensible words and sells such

whispers as useful prayer, another one curses, mocks and laughs about it, and a third one shows up as judge and condemns everything to the deepest corners of hell?! – Can such a community or its leaders be the rock on which My church is built, against which the gates of hell shall never prevail?!

[25,05] I say, 'If you love each other as I love you, it will be evident in that love that you are truly My disciples! – Thus, I gave love as the only sign by which one can recognize if someone is a true rock on which My church is built. – But then, how can the now manifold tribunals among the ones supposed to be brothers be a sign of the rock Peter, undefeated by hell, and of My church built on it?! Oh, you horribly blind foolish people of these times, you consider yourselves undefeated by hell, yet have been, due to all your actions, in the middle of it for a long, long, long time!

[25,06] If I had wanted to establish a visible church, I would have said to all the apostles and disciples: You all are Peter. But I only said such to Peter alone because he was the first one to recognize My divine nature! Thus, he

"The spirit is the innermost vision of the soul, whose light penetrates everything, because it is an innermost and, therefore, pure light."

Jesus' Words, Great Gospel of John, vol. 4,76 (W31)

was also the first to whom, due to his faith and trust, I gave the keys to the kingdom of heaven, which is a kingdom of love for God in people's hearts and from that the true, brotherly love, which no one can reach without previous knowledge of God, because everyone must know someone before they can love that person.

[25,07] This love for God and for one's neighbor is thus the true kingdom of God, the only true living church, which is built on the rock of true knowledge, and the strong, unwavering faith and trust derived from it, which hell can certainly no longer destroy.

[25,08] A superficial, collective, ceremonial parade and pomp of a supposedly invincible church of Christ on some golden and silver Peter rock is just as little church and Peter rock as hell is heaven, or a pig's feces a diamond. – Or did I ever say, 'You would be recognized as My disciples by gold, silver, gems, precious vestments, by great worldly power and greatest worldly prestige, by the most gorgeous churches, bells and organs, by the Latin language and more similar things? – Truly something like that has never been indicated or foretold by Me as a sign of My true church; maybe by John in the Revelation, where the great whore is discussed, - but that cannot be the rock Peter, can it?!

[25,09] Simon Jonah, who was a true Peter, said to one whom he had cured through My true spirit in himself, "I do not have gold and silver, but what I have, I give to you!" – Could the one who wants to be and should be Peter's successor in Rome, the bishops in England, some superintendents in Germany and the mighty patriarch of all the Greeks say the same about themselves with a clear conscience without embarrassing themselves before the whole world?! Do they also not own any bags, shoes and staffs? – See what Peter was like and how his church of love was built on the rock of his heart and what was its reason, and how all contemporary churches are built and what their reason is? I mean, even a blind man can comprehend and see, let alone one who still has his eyes quite open.

[25,10] The time will come when people everywhere will adore God in spirit and in truth and not in Jerusalem and not on mount Garizim! – That is how you read it in the Scripture. – Thus spirit, truth, true knowledge, faith, trust and true love for God and one's neighbor in every single person's heart make up the one and only true rock and the living church built on it by Myself, which can forever withstand hell. Everything else is people's vain creation, which is not worth anything and does not offer the slightest protection against hell, if the true rock and the true living church built in every person is missing.

[25,11] Thus, it is vain to ask which external, visible church among the many that carry My name is the right one. – The answer to that is and can never be anything other than: None! – Only the church that I made in one's heart is the right one, forever safe from hell; everything else was devised by the world, belongs to it and counts for nothing to Me!

[25,12] Thus, the keys to My kingdom are never to be sought in some church community or with its leaders but only in the living, solely true church. What someone will bind or loose for himself in the world of his natural life and the life of his brothers from his own church built by Me in his heart, that is

already bound or loosed in heaven, because this solely true church is the actual heaven – or said more clearly: Whatever someone will make in and from his own mighty love church, that will also be made in heaven for ever.

[25,13] Thus, the right keys to the kingdom of heaven are that you acknowledge Me as your holy, truest God and Father, love Me above all, and your brothers and sisters like yourselves. If that is your case, then you have Peter, have fully built the true church, and have the true keys to the kingdom of heaven; everything else is pure nothing! – Understand this well and live accordingly. Amen, amen, amen. –

May 29, 1847. (You are Peter, the Rock. Continuation)

[29,00] If, however, someone among you wants to ask and say about the rock, Peter: Well, if this rock is to be seen as purely spiritual and only to be sought in every person and is not to be seen in the leaders of a community or in the whole community, why then does the Lord allow that communities have been at each other's throats for centuries and have treated each other horribly just because of the true nature of the rock Peter, as every community is convinced that Peter the rock is at home within it?!

[29,01] The reason for allowing this is a much deeper one than any of you might imagine at first glance. Of course that it should not be the way it is, - and still it must be this way because everything else is the same way! – Abraham had a good descendent in a spiritual way, without any fleshly coitus, John was conceived the same way and Mary too; such procreations took place often in ancient times and some prophets were conceived this way.

[29,02] This kind of procreation is the right one, of course, and still takes place, often without the parents' knowledge; but this kind is the heavenly kind and if of no use for the world, but must take place for the possible participation in redemption. What remains to be done other than to leave the world its fleshly way of procreation, and thus let the old sin persist together with complete redemption, so that every captive natural soul has either way an unhindered path into the kingdom of grace and mercy! - That is why our external Peters must exist, so that the children of the world may find their way to them either way.

"What a soul can here achieve in one day towards perfecting its life, it often in the beyond cannot achieve in thousands of earth years."

Jesus, Great Gospel of John 6, 228 (W36)

[29,03] As the spirit only likes what is in its nature, so does the world only like what is in its nature. The saying "Like takes to like" is at the right place here. It would be preferable, if the trees and other plants directly brought to light ripe fruits, without the preceding flowers and other ceremonial phenomena. But it does not work any other way, as everything in the circle of being that is still right at the bottom can finally be directed upwards and reach eternal freedom!

way of the world, its different side ways and sometimes even the most lurid

save Jesus only. And as they came down from the mountain, Jesus charged them, saying, Tell the vision to no man, until the Son of man be risen again from the dead. And his disciples asked him, saying, Why then say the scribes that Elias must first come? And Jesus answered and said unto them, Elias truly shall first come, and restore all things. But I say unto you, That Elias is come already, and they knew him not, but have done unto him whatsoever they listed. Likewise shall also the Son of man suffer of them. Then the disciples understood that he spake unto them of John the Baptist."

(January 25, 1872)

Here again you have an event from My earthly career of a deep and heavenly significance. This event was once important for the disciples who accompanied Me, but it is also significant for you and all mankind and in its spiritual correspondence of great importance for the future into which you are now moving. We will now look at this event, explain its significance for My disciples at *that* time and then study its great spiritual correspondence to find out how, when and where it is repeating itself today and how it will have the same regenerating effect now as it had once on the three disciples with Me and their further life and actions.

The Gospel states that I took My disciples Peter, James and John up a mountain where they saw Me transfigured, that is, they saw Me with their spiritual eyes as the One who I really am, was and shall be. They saw Me as a high spirit whose garment - truth - was in its correspondence white and whose face shone like the sun, that is, it radiated love. At My side they saw two mighty supporters of My entire future system of instruction who contributed most to facilitate My work as My forerunners - Moses and Elias, with whom I was speaking. They also heard a voice from a cloud speaking the same words that had once sounded at My baptism at the river Jordan: "This is My beloved Son in whom I am well pleased; listen to him!" ,

This vision which I allowed My three disciples to see was meant to give them a fore taste of their own destination. Peter, whom I called the 'rock' upon which I wanted to build My church, had a similar mission to that of Moses who once prepared the Jewish people for My coming. He gave them laws and rules of conduct which for the Jews were easier to accept than for any other race, to make them My chosen people in the midst of which I had decided to come to the earth.

As Elias, in his incarnation as John the Baptist, did on a small scale what Moses had to do on a large scale, thus John, My favorite, - thanks to his particular work and the fact that he lived longer than any of the other disciples - was destined through his Revelation during the last years of his life to show to the world in advance its spiritual progress until its purification and to leave behind a testimony to the effect that the laws I have established in My creation - be they moral or physical laws - must not be spurned.

These disciples, as still living in this world, and Moses and Elias, who were no longer in the flesh, were allowed to see Me in My great glory and to recognize Me as the One for whose great spiritual kingdom they had to sacrifice everything in order to give My work permanence.

They saw Me in that glory which a human heart in its earthly encasement can stand but for a few moments, and it was this unimagined happiness and bliss that caused Peter to exclaim: "Lord, it is good for us to be here; if thou wilt, let us make here three shelters!"

However, since such moments only serve as awakeners, animators and fortifiers when danger threatens or fickleness overcomes the heart, they were only of a short duration. But in order to give them a lasting effect in the memory of the disciples, out of the white cloud that spiritually overshadowed My person, these mysterious and important words were heard: "This is My beloved Son in whom I am well pleased; listen to him!" Thus the voice advised My disciples to pay even better attention to My words and to imprint them properly upon their hearts so that one day the verdant tree of life could grow out of them to assemble all mankind under its shade for shelter and protection in all their sufferings and misfortunes.

The reason why I bade the disciples not to speak of this event until I had crowned My work with My resurrection was that the other disciples would have doubted the vision or failed to comprehend it, since My disciples' power of comprehension varied like that of all other people.

Such was the actual course of that solemn event which must repeat itself again today. What once Moses did, who prepared the Jewish people for My teaching, later on came to pass through Peter as the founder of the Catholic Church. What Elias did as John the Baptist, has been done in your age by all the men who had to cleanse and purify the church Peter had founded, so that it would not lose its actual value altogether .

*"I have come into
the world in order
to take upon Myself
all mankind's sins
and eradicate them
forever through My
love before its
divine countenance!
"*

Jesus' words, Childhood of
Jesus, ch.104 (W24)

What once Peter represented as the future sustainer of My teaching, now other men will become, who will re-establish My Kingdom. And as in My days the Jewish people were misled by the Pharisees and scribes, likewise today all humanity is bound by ceremonies and customs, living in the fulfillment of the letter without understanding the spiritual meaning of the words of My so simple Gospel. Therefore, there must again be men who put My teaching back upon its original foundation, upon My own words.

Even if these men are not immediately successful in their attempt to teach all mankind - just as My disciples were not immediately successful - they are nevertheless called to sow the seed. It does not matter whether the seed falls everywhere upon good soil, or upon the road or stony ground. The germinating seed will replace what was lost and prepare the spiritual ground to make it worthy of looking forward joyfully to My Second Coming.

As in those days I took My disciples to an elevated spot, giving them a little fore taste of the reward awaiting them if they faithfully stayed with Me, it happens also today that I lead many a faithful, who in the solitude and stillness of night gives himself over to Me, far beyond the physical world, opening up to him in a great vista the glorious future he may expect if he remains true to Me and My teaching. Indeed, I let many an individual

experience the full delight of My mighty influence upon his heart, thereby showing him a glimpse of supreme truth in the rosy light of love, thus revealing to him My own Self in a glorious transfiguration expressed by a delight which here it is not possible to bear, but only in the higher spheres in a spiritual body.

In the Mosaic law Moses built his irrevocable principles of the Jewish religion upon the one idea: There is but *one* God! And because of this the Jewish people - and none other - was suited to count Me among them. Since in those days polytheism prevailed everywhere, it would have been impossible to remove all the gods at once to put up a single one in their place. The Jews, however, had only the *one* God, which made it easier to build a divine religion among them.

Thus Moses was the preparatory worker, like a laborer in the vineyard who breaks up the soil. He was followed by the one who trimmed the vines; and that was Elias. He trimmed the vines during his time and later as John the Baptist, thereby stimulating the activity in order to obtain better fruit so that the harvester may be satisfied with the workers who did the preliminary work. Thus John the Baptist was the second laborer in My vineyard, until I came Myself to put the finishing touches to the work, add what was missing and bring the fruit to maturation. This means that out of the decomposed earth around the stem of the grapevine I called forth new life which, becoming more and more refined along the stem, was matured and trained from gross matter to the finer, spiritual fruit - the grape.

As previously Moses, thus later on Peter was the rock upon which My church was founded. No revolutions or storms could destroy it. Often enough it has been perverted through the tyranny and lust for power of individuals. But as once My transfiguration was allowed to take place in the presence of My disciples when My spiritual, divine being shone through My earthly form, so it is happening now: The spiritual garment is beginning to shine through the earthly pomp and ceremonial of the Catholic cult and its false doctrines. The clearing up and transfiguration is beginning. Night is followed by dawn and dawn by - day!

The long restrained light of truth is breaking through. The anticipation of a higher ecstasy, a transfiguration, is alive in all minds, and the spiritual wind, blowing through all that is of the world and awakening the sleepers is sensed by all. Like a ray of light falling through a shutter upon a sleeper who, awakened by its life-force, begins to turn around in his bed unaware of what is happening to him, - thus this transfiguration is starting. In many heads it is already dawning.

Moses prepared his contemporary Jewish people for My reception, Peter the generation following him, and in these days the teachers with enthusiasm for My teaching are going to be the Johns who - like My disciple - will also become My favorites and witnesses of My love and grace right into their old age. Thus the same spiritual process of purification takes place, first from the solid to the softer, from that to the volatile, from the volatile to the ethereal and finally to the spiritual.

As in those days I was nailed to the cross, My teaching mocked and My disciples abused and persecuted, so it will be again. Instead of My person, My teaching will be crucified and mocked. My fighters will also have to battle with all kinds of injustices but they, too, will be victorious and see Me

transfigured at My next descent. Then the voice of their conscience will proclaim: "Blessed be you because you remained true to Him, listened to His words, applied them and passed them on to others the way He wants them to be understood. "

Then the transfiguration will not end - as once with My disciples - but My pioneers will be able to see Me face to face everlastingly and rejoice over My victory and theirs together with all those who passed on before.

Such is the symbolical meaning of the transfiguration. Make sure that you, too, may participate in it, so that you may be counted among those who, disregarding all that is of the world, have made Me and My teaching the principal purpose of their life and aspirations. Then, in moments of supreme delight when your spiritual vision is opened, you will be able to see The One in person, transfigured, Who already for so long has been showering upon you His words of grace and wants to make you His children. Amen.

7. overview: the new revelation

Since the beginning of time God had been in contact with mankind. With every nation. In every century. Without interruption.

The form of communication differs. God came in the form of angels, He used prophets whom He instructed (e.g. Isaiah). He gave people visions (e.g. Swedenborg) or revealed His messages in dreams (e.g. Joseph) and He had people write by direct dictation (e.g. Moses).

Communications, instructions and messages did not stop with Jesus. Some churches, unfortunately, claim that Jesus said it all. With Him revelation stopped. Despite the contrary written in scripture.

The New Revelation, God's New Word, was received by dictation. Word by word. Every word of those 25 volumes was dictated to Lorber, Engel and Mayerhofer by the Lord. It took 37 years to finish. Some say it's the Eternal Gospel promised by the angel. It sure contains wisdom for generations of researchers.

The two new commandments Jesus introduced complementing the 10 of the Old Testament are "Love your God with all you power and all your heart" and "Love your neighbor like yourself". And added, that your enemy also is your neighbor (e.g. Luke 10:27).

Out of the seven Spirits of God three stand out: Love, Wisdom and Power.

1. In His New Word, the New Revelation, God reconfirms again and again that love is the basis of God. "The Father" really is God's love.
2. God created all beings - all angels, all souls, all spirits - out of love. It was out of His endless love that despite the high treason of Lucifer and one fifth of all created beings He did not destroy them but created the material universe. Matter is a prison and school through which He leads the rebellious souls back into His kingdom.
3. Out of love He created man and put him to test on earth and gave him the choice between good and evil.
4. Out of love He took flesh in Jesus, His "Son", suffered terribly, accepted utmost humiliation and sacrificed His physical body to free all humans from the
