## editorial

Dear reader,

You know quite well that we live in interesting but mostly troubled times. With subjects like the End Times, Donald Trump and the US elections, Islam Jihad and the never ending "Refugee" issue, we all know the media will not lack material for speculation, hype and disinformation.

We sure are being exposed to information overload. However, it is fascinating to have a look at all the files and videos (YouTube) offers. The choice is here. On every subject. Below you will find a small selection of contributions you might want to watch.

In today's issue we offer you:

Jesus' Body is the "glorified form of the Father for the sake of men and Angels, so that I may be to them a conceivable and visible God." No one can could or can ever see God. He is spirit. So no other people of no other religion have ever seen God but the Jewish people and those to whom Jesus appeared after His resurrection.

The class conceit piece makes us aware of the pitfalls of that attitude. And who of us is immune to it?

The Current spiritual flood gives you a foretaste of what will come soon. A time when you should stand firmly with the Lord lest strong waves or storms would carry you away.

Finally enjoy the Parable of the Great Supper. An interpretation and explanation only the Lord can give resulting in a lasting impact.

Time passes quickly, or fast, depending where you are. So profit from it and be happy when the days are good. Think of all the people who suffer, have lost their homes, drowned or don't know where to find shelter.

Pray for them. As we do.

Have a good summer and stay healthy.

With love

## The Divine Nature of Jesus (#3270)

- The Son as the visible Father
- The Relation of “Father” and “Son”
- Jesus in the Temple about the Father - Son relation

Here are three excerpts from the Great Gospel of John where Jesus reveals and discusses the essence of His divine nature with His disciples and with priests before ordinary folk in the Temple.

First an excerpt from the Great Gospel with Jesus revealing and discussing with His disciples the essence of His divine nature:

"I am - now as a man in the flesh before you - the Son and was never begotten by anyone else but Myself and, thus, I am My very own Father from eternity. Where else could then the Father be but in the Son and where else the Son but in the Father, thus one God and Father in ...

### The alleged Class conceit (#3244)

[Gifts of Heaven GH.03-49.04.06, 85] Nowhere is the pride of men as noticeable to such a high degree as where it is a matter of the forgiveness of alleged class reputation.

[86] I could present a million people and a million again, who are gentle, benevolent, charitable, and full of justice. Yes, their sense of justice often goes so far that they consider it to be a great crime to deceive someone by the value of a needle. But nobody may attack them in regard to the honor of their class – then it is over!

[87] If they completely forgive the one infringing on their honor from a sort of generosity, there will be something remaining, which is realized secretly by the one responsible for the infringement. And if he had formerly been the best friend of the house and had asked the one aggrieved in his honor for forgiveness a thousand times, he will never be completely capable of erasing the stain, which he had brought to the house, either through imprudence or by way of previous overly intimate ...

## 7 overview: the New Revelation

Since the beginning of time God had been in contact with mankind. With every nation. In every century. Without interruption.

The form of communication differs. God came in the form of angels, He used prophets whom He instructed (e.g. Isaiah). He gave people visions (e.g. Swedenborg) or revealed His messages in dreams (e.g. Joseph) and He had people write by direct dictation (e.g. Moses).

Communications, instructions and messages did not stop with Jesus. Some churches, unfortunately, claim that Jesus said it all. With Him revelation stopped. Despite the contrary written in scripture.

The New Revelation, God's New Word, was received by dictation. Word by word. Every word of those more than 25 volumes was dictated to Jakob Lorber, Leopold Engel and Gottfried Mayerhofer by the Lord. It took about 50 years to finish. Some say it's the Eternal Gospel promised by the angel. It sure contains wisdom for generations of researchers.

To assure yourself that the texts of God's New Word were really of heavenly origin download the report "[Science confirms New Revelation Predictions](#)" (Doc # 3160). It shows that most prophecies written between 1840 and 1890 have become reality by now.

Cornerstones of the New Revelation:

1. In His New Word, the New Revelation, God reconfirms again and again that love is the basis of God. "The Father" really is God's love.
2. God created all beings - all angels, all souls, all spirits - out of love. It was out of His endless love that despite the high treason of Lucifer and one fifth of all created beings He did not destroy them but created the material universe.

Matter is a prison and school through which He leads the rebellious souls back into His kingdom.

3. Out of love He created man and put him to test on earth and gave him the choice between good and evil.
4. Out of love He took flesh in Jesus, His "Son", suffered terribly, accepted utmost humiliation and sacrificed His physical body to free all humans from the slavery of sin.
5. Out of His love He gave mankind the privilege to become His children if they choose to obey. A privilege not even His first angels have.
6. Out of love He has been incredibly patient with mankind. But He also said that out of this love He will chastise mankind if they turn away from Him, lest they'll be lost. That happened and will happen again.
