editorial

Dear reader,

Knowing to have to die soon is a terrible challenge. Of course we all know we have to die one day. But with certain health problems there is the certainty of death within a few weeks.

What are the repercussions? For the "victim" I imagine questions like getting straight with God is crucial. Then working with family and friends, talking over things long overdue. Settling all worldly matters like business, home, money etc. etc.

When this hits a close friend it makes you think. Of course young children are hard hit. Especially if it concerns parents. Here, the grandparents come into the picture. They have to fill a void for kids. Spirituality and religion comes into play. Last chance to make the young ones acquainted with the idea that there is another world than only the one that can be seen and touched.

I have to prepare for that situation in my family. I hope to be able to help. Help to overcome grief and despair. Convince that there is another life after this life. Talking, discussing is important I believe. Helping the person who has to go to get well prepared so he/she will have a high probability to meet the Lord over there.

As I said above, quite a challenge.

We have selected a few articles which we hope you are again interested in. The subjects are God's plan of creation and salvation, what angels can do for us and a number of statements by Jesus Christ about the mystery of the anti-Christ a subject one meets more and more on the internet.

Take care and have a prosperous and healthy last quarter.

God Reveals His Plan of Creation and Salvation - #3272

Excerpt from "The Great Gospel of John, vol. 11
revealed by Jesus Christ to Jakob Lorber

NOTA BENE: Many will ask the question here why I actually called the souls of My disciples out of their bodies to make them witness this event. This was because of two reasons.

[GGJ.11_017,02] Firstly, when they wake up, they should not remember this during their life on Earth, for that would have been unnecessary for them, even harmful for their further development, and secondly because the soul can only perceive his former levels of development in his free condition. What matters is the last mentioned, so that these souls could completely recognize Me as their Lord and Creator and would ask *Me* to protect them. Lucifer had to realize that he was losing more and more followers and that his power became ever weaker.

The Service of the Angels in the Universe - #3271

Great Gospel of John, vol.02, Chapter 57

[O1] Everybody now retired and slept until the morning had dawned. Also I rested and slept for a few hours. The two angels, however, attended during the night to their duty of managing worlds and at sunrise were already back with us, came to Me, thanked Me and said: "Lord, everything is in the best order in the entire great cosmic man. The main central suns are fixed in their places and their rotations are regular. The orbits of the secondary central suns are unchanged, the orbits of the central suns of the third order around those of the secondary are in perfect order and the same applies to the central suns of the fourth order with their ten times hundred thousand planetary suns, here and there more or fewer – just as You, O Lord, have established the order from the very beginning. The countless planetary suns with their small, mostly dark planets and moons are anyway dependent on the order of the great leading suns, and thus everything is in the best order in this **shell globe** over which we have to watch, and we, therefore, may spend another bright day here with You, holy Father, and Your to us very dear children."

[O2] Say I: "Very well, but do make use of every minute through all kinds of useful lessons of which My children still have great need."

They're not happy in Iraq ..
They're not happy in Yemen

word of those more than 25 volumes was dictated to Jakob Lorber, Leopold Engel and Gottfried Mayerhofer by the Lord. It took about 50 years to finish. Some say it's the Eternal Gospel promised by the angel. It sure contains wisdom for generations of researchers.

To assure yourself that the texts of God's New Word were really of heavenly origin download the report "[Science confirms New Revelation Predictions](#)" (Doc # 3160) . It shows that most prophecies written between 1840 and 1890 have become reality by now.

Cornerstones of the New Revelation:

1. In His New Word, the New Revelation, God reconfirms again and again that love is the basis of God. "The Father" really is God's love.
2. God created all beings - all angels, all souls, all spirits - out of love. It was out of His endless love that despite the high treason of Lucifer and one fifth of all created beings He did not destroy them but created the material universe. Matter is a prison and school through which He leads the rebellious souls back into His kingdom.
3. Out of love He created man and put him to test on earth and gave him the choice between good and evil.
4. Out of love He took flesh in Jesus, His "Son", suffered terribly, accepted utmost humiliation and sacrificed His physical body to free all humans from the slavery of sin.
5. Out of His love He gave mankind the privilege to become His children if they choose to obey. A privilege not even His first angels have.
6. Out of love He has been incredibly patient with mankind. But He also said that out of this love He will chastise mankind if they turn away from Him, lest they'll be lost. That happened and will happen again.
